## Requirements and Other Information

1. This rebate is intended to replace high-water plant material with low or no-water material. This will reduce water consumption and add visual interest to the landscape.
2. Applications are processed in the order received and rebates are distributed on a first-come, first-served basis. Funding is limited.
3. Rebate will reimburse participant \$1.10 per square foot, with a minimum area of 1,500 square feet, and maximum rebate amount of \$15,000 per account. To be eligible, areas must contain at least 50 percent healthy, irrigated turf. A percentage of landscaped area will be deducted for dead, declining, or unhealthy turf areas.
4. All expenses are out-of-pocket to the applicant.
5. Participants are limited to one rebate per account, per season.
6. In order to be eligible, project must be complete and final inspection scheduled by September 30 of the current program year.
7. Incomplete applications, applications submitted after work has begun, or without an initial site inspection, will not be approved. An initial site inspection will be scheduled by the program administrator and must include applicant and installing contractor.
8. Rebate checks are issued within three (3) to six (6) weeks after completion of project and final inspection.
9. Actual water savings may vary.
10. Upon approval of this application, the Town of Castle Rock has the right and license to use my organization's name, image, likeness, and comments in Castle Rock materials for internal and external audiences. These materials include, but are not limited to, advertisements, brochures, news releases, newspapers, magazines, newsletters, videos, websites, and presentations.
11. Applications must include landscape and irrigation retrofit design.
12. Installation must be completed by a Town of Castle Rock registered landscape professional.
13. A signed copy of the Affidavit of Lawful Presence, along with an acceptable form of identification are required.
14. Sprinklers in the renovated area must be removed or redesigned to appropriately water new landscape. Renovated area must be watered separately from turf grass.
15. Non-Residential ColoradoScape renovations will result in changes to the irrigated area used to calculate the monthly water budget for this property. A water budget adjustment form must be completed at final inspection.
16. Send this application and affidavit to "ColoradoScape Renovation Rebate", Castle Rock Water, 175 Kellogg Ct., Castle Rock, CO 80109", or email to waterconservation@crgov.com. Submittal of the on-line application is not complete until the acknowledgement and affidavit are signed by the applicant.
17. Failure to comply with any requirements of this program will result in denial of rebate.
18. When working within or adjacent to any roadway, you must contact the Public Works Department at (720) 454-2433 to determine if a right of way permit or traffic control plan will be needed to complete the work.

I hereby agree to the requirements and information as set forth in the Non-Residential ColoradoScape Renovation rebate application. Failure to comply with any requirement of this program will result in denial of rebate.
