

## ROTARY NOZZLE RETROFIT REBATE

This rebate specifically targets the replacement of less efficient, traditional fixed or adjustable arc spray nozzles, with more efficient rotary nozzles. In most cases, the retrofit can be accomplished by simply removing the old spray nozzle and replacing with the new rotary nozzle. These water conserving nozzles are recommended in conjunction with a 6-inch pop-up height sprinkler head for turf areas, and a 12-inch pop-up height for native areas.

### Requirements and Other Information

1. This rebate specifically targets the replacement of less efficient, traditional fixed or adjustable arc spray nozzles with more efficient rotary nozzles.
2. Applications are processed in the order received and rebates are distributed on a first-come, first-served basis. Funding is limited.
3. Rebate will reimburse participant for the purchase price of the nozzle (excluding installation costs, taxes and shipping/handling) up to \$5 per nozzle (non-residential maximum is \$2,000).
4. All expenses are out-of-pocket to the applicant.
5. Participants are limited to one rebate per account.
6. Rotary nozzles must be new and meet qualifying criteria.
7. Rotary nozzles must be purchased and installed at the water account address, in the Town of Castle Rock Water service area, during the current rebate year.
8. This rebate does not cover the installation of new sprinkler systems or the replacement of existing rotor heads or rotary nozzles.
9. Rebate checks or Castle Rock Water bill credits are issued within three (3) to six (6) weeks after completion of application, required supplemental information, and the old nozzles have been brought to Castle Rock Water for recycling.
10. Actual water savings may vary.
11. Upon approval of this application, the Town of Castle Rock has the right and license to use my image, likeness, and comments in Castle Rock materials for internal and external audiences. These materials include, but are not limited to, advertisements, brochures, news releases, magazines, newspapers, newsletters, videos, and presentations.
12. Attach a copy of the original sales receipt to this application.
13. **To be eligible for this rebate, the Town requires that you bring all of the old nozzles that were replaced to Castle Rock Water, 171 Kellogg Ct., Castle Rock, CO 80109.** The old nozzles will be recycled by the Town of Castle Rock.
14. Send this acknowledgement to "Rotary Nozzle Retrofit Rebate", Castle Rock Water, 175 Kellogg Ct., Castle Rock, CO 80109", or email to [waterconservation@crgov.com](mailto:waterconservation@crgov.com). Submittal of the on-line application is not considered complete until the acknowledgement is signed by the applicant.
15. Failure to comply with any requirements of this program will result in denial of rebate.

### Signature

I hereby agree to the requirements and information as set forth in the Rotary Nozzle Retrofit Rebate application. Failure to comply with any requirement of this program will result in denial of rebate.
